sigo el deseo mami, lo desconocido que aún no vivi
camino sin miedo papi, que llevo la huella esperanza dentro de mi

puertas abiertas no busco destino
llevo preguntas dejo que bailen en este nuevo ciclo

i'm on my way home

sigo el deseo hermana, tiempos de cambio que quiero sentir
traigo memoria hermano, semillas de tierra nueva
picture a block no sirenes no shock,
spark of a lover steady on the clock
picure us people with nothing to lose
feeling alive in the light of a different truth
yeah, yeah

we go higher, further my love and though the road is long I know i'm on my way home
we go higher further my love and though the road is long I know i'm on my way home

fuerte como tambor de mar mi pecho golpea
the horizon bends drinks from my hands eh ja
la tierra ya me suena
y yo la sueño de vuelta eh

la pinto de mano la pinto de mil colores,
futuros mejores,

feeling alive in the light of a different truth
