

Sacred Letter

INTRO

Oh I search for you, how I search for you

VERSE 1

Do not confuse my smile with a promise ya
Don't mistake my time for forever
Future me and I are walking together ja
Got my dreams all tight to my chest like a sacred letter

BRIDGE

I see you watching, but you don't know me yet,
I move on my rhythm, no regret
so glad that I got here my heart stretched

I dream about you, your love must be so sublime
I reach for the vision, no fear left
I rise for the woman I haven't met yet

CHORUS

for give me child, you did your best
forgive them love, they couldn't see yet

VERSE 2

You talk about tomorrow I'm busy with today
got records spinning bills to pay

INSTRUMENTAL

BRIDGE

I see you watching, but you don't know me yet,
I move on my rhythm, no regret
so glad that I got here my heart stretched

I dream about you, your love must be so sublime
I reach for the vision, no fear left
I rise for the woman I haven't met yet

CHORUS

forgive me child you carried the weight
forgive them love they learned too late

INTERLUDE

teus passos pequenos criaram a rua
a mulher que
coroa de fogo, rainha da lua
es forca tranquila es luz que perdura

REPEAT VERSE 1

Do not confuse my smile with a promise ya
Don't mistake my time for forever
Future me and I are walking together ja
Got my dreams all tight to my chest like a sacred letter

CHORUS

forgive me child you walked throuh the fire
forgive them love they knew not desire
